

# 1/3 is not enough.

**Protection. Savings. Growth.** When it comes to personal finance, which two can you do without? More often than not, the advice you get from a financial professional is focused solely on growth, leaving out two areas vital to your financial strategy. **1/3 is not enough.**

Leap is a system and roadmap for sound, simple financial security. Learn more about our philosophy at [www.leapsystems.com](http://www.leapsystems.com).
